

## **WELCOME TO THE FST BOOKSTORE**

### **Purchasing Books for Classes:**

The GTU no longer has an arrangement with Cal Student Store for the purchase of textbooks. Beginning with the Fall 2010 semester, each member school will maintain its own online booklist. FST has set up an affiliate program with [amazon.com](http://amazon.com) through which you can purchase most books that you will need for your courses at the GTU. However to access the booklists for classes offered by other GTU schools, please click [here](#).

Books published by the [Franciscan Institute](#) are not available at amazon.com. You may order them directly from the publisher.
