

## **Taste and See!**

*Looking for a deeper understanding of theology? Wanting to know more about your Catholic faith?*

**The Franciscan School of Theology** offers Master degrees with both a ministerial and academic focus, but we realize that some may simply want to take one or two courses without entering a degree program.

In the 2010-2011 academic year, **FST** will offer graduate level theology courses at a greatly reduced introductory tuition (\$700 for one course) for new students. Weekday, evening, and Saturday classes are available. Check out the process for applying for Special Student status at the following link: [http://www.fst.edu/apply/genreq\\_apply.html](http://www.fst.edu/apply/genreq_apply.html)

If you have considered studying theology at the graduate level, now is the time to begin!
